

CNFS connects with the community during the 2026 Saint-Jean celebrations

June 20, 2026 – Collège Boréal, Sudbury (Ontario)

The Collège Boréal component of the Consortium national de formation en santé (CNFS) was pleased to take part in Sudbury's 2026 Saint-Jean celebrations by hosting an information booth at the **Saint-Jean Family Day** event on **June 20, 2026**.

The Saint-Jean festivities, held from **June 1 to 24, 2026**, drew more than **4,100 people** to a wide range of cultural, community, and family activities. This major event celebrated the vitality of the Francophone community while creating opportunities for connection and dialogue.

At the Family Day event, approximately **500 visitors** took part in activities held at Boréal's Sudbury campus, where the CNFS welcomed the public at its information booth. The booth gave the team an opportunity to promote French-language health training programs, highlight the

CNFS's various initiatives, and speak with many people interested in health careers and the development of French-language health services.

The CNFS's participation in this event reflects its commitment to supporting the growth and vitality of Francophone communities in Northern Ontario. By taking part in community events such as the Saint-Jean celebrations, the CNFS helps strengthen ties with its community partners while highlighting the importance of access to French-language health training and services.

As an event sponsor, the CNFS is proud to have contributed to the success of this celebration, which showcased the culture, language, and vitality of the Francophone community. We extend our sincere thanks to the 2026 Saint-Jean organizing committee, particularly Lyse Lamothe and her team, as well as all the volunteers, partners, and sponsors who made this wonderful event possible.

Through its participation in Saint-Jean Family Day, the CNFS reaffirms its commitment to being actively involved in the community and supporting initiatives that help the Francophone community thrive and increase its visibility.

About the CNFS

The Consortium national de formation en santé (CNFS) is a pan-Canadian group of sixteen colleges and universities that offer French-language study programs in various health disciplines, as well as regional partners, with the financial support of Health Canada.
